Colorado Christian Services Annual Fundraiser Campaign

As 2020 draws to an end, Colorado Christian Services is seeing the beginning of a different surge. The seclusion of the pandemic has caused a wave of unplanned pregnancies and we need your help right away.

For **women in unplanned pregnancies**, we come alongside and help them understand what's involved in infant adoption and assist them as they choose life for their babies with free parenting education and support, adoption planning, financial support, medical care, transportation and housing.

Colorado Christian Services is your congregation's source of hope for **Christian couples who are unable to have children** biologically and who dream of becoming parents.

We've had the privilege of placing nearly 1,200 children into loving, Christian, adoptive homes in our more than 55 years of service to the community.

Please help us reach women in unintended pregnancies right now with the good news that Colorado Christian Services is a place of hope and promise for the future of their baby.
