ADOPTION PLANNING

Colorado Christian Services Annual Fundraiser Campaign Pulpit Announcement

As 2020 draws to an end, our friends at Colorado Christian Services are seeing the beginning of a different surge. The seclusion of the pandemic has caused a wave of unplanned pregnancies and they need our help right away.

The mission of Colorado Christian Services is to come alongside women in unplanned pregnancies, and Christian adoptive couples, in building families through caring, experienced and professional adoption planning services.

We can help them meet this growing demand for their services this season.

Through a special year-end gift, our help will mean that Colorado Christian Services can serve more women in unplanned pregnancies, as they come alongside and help them understand what's involved in infant adoption, and assist them as they choose life for their babies with free, parenting education and support, adoption planning, financial support, medical care, transportation and housing.

Colorado Christian Services is also a source of hope for Christian couples who are unable to have children biologically and who dream of becoming parents.

With the support of the church, Colorado Christian Services has had the privilege of placing nearly 1,200 children into loving, Christian, adoptive homes in more than 55 years of service to the community.

Let's help Colorado Christian Services continue to serve others by joining fellow Christians who believe in the sanctity of life and the strengthening of families through this year's Annual Fundraiser Campaign.
