Colorado Christian Services Annual Church Fundraising Campaign

Generations from now, will our children's children look back at this time and find it **extraordinary**? We know that you, our church family, have had an extraordinary year, and so have we at Colorado Christian Services. This past year we've served 102 Birth Parents and 159 Adoptive Families, and those numbers are up from the previous year.

For **women in unplanned pregnancies**, we come alongside and help them understand what's involved in infant adoption and assist them as they choose life for their babies with free parenting education and support, adoption planning, financial support, medical care, transportation and housing.

Colorado Christian Services provides hope for **Christian couples who are unable to have children** biologically and who dream of becoming parents.

We've had the privilege of placing nearly 1,200 children into loving, Christian, adoptive homes in our nearly 60 years of service to the community.

Please help us reach women in unintended pregnancies with the good news that Colorado Christian Services is a place of hope and promise for the future of their baby.
