

Pulpit Announcement

Generations from now, will our children's children look back at this time and find it extraordinary?

We know that you, our church family, have had an extraordinary year, and so have our friends at Colorado Christian Services. This past year, CCS served 102 Birth Parents and 159 Adoptive Families, and those numbers are up from the previous year.

The mission of Colorado Christian Services is to come alongside women in unplanned pregnancies, and Christian adoptive couples in building families through caring, experienced and professional adoption planning services.

We can help CCS meet the growing demand for their services during this, National Adoption Month.

Through a special donation, your gift will help Colorado Christian Services serve more women in unplanned pregnancies. Caring caseworkers come alongside and help them understand what's involved in infant adoption and assist them as they choose life for their babies with free, parenting education and support, adoption planning, financial support, medical care, transportation and housing.

Colorado Christian Services is also a source of hope for Christian couples who are unable to have children biologically and who dream of becoming parents.

With the support of the church, Colorado Christian Services has had the privilege of placing nearly 1,200 children into loving, Christian, adoptive homes since 1963.

You can provide Colorado Christian Services with a financial gift today or by going online to ChristianServices.org/Generations

Let's help Colorado Christian Services continue to serve others by joining fellow Christians who believe in the sanctity of life and the strengthening of families through this year's Annual Church Fundraising Campaign.
