

Colorado Christian Services
ADOPTION PLANNING

Pulpit Announcement

We are so grateful for another year to partner with our friends at Colorado Christian Services. This year marks their 60th anniversary and it is an occasion to be celebrated!

The mission of Colorado Christian Services is to come alongside women in unplanned pregnancies and Christian adoptive couples in building families through caring, experienced, and professional adoption planning services. In addition, they support expectant mothers, new parents and caregivers by providing them with essential mother and baby supplies at no cost.

CCS was founded by Walter and Marie Martin in 1963, members of the Englewood church of Christ. Their original vision to temporarily house troubled teens shifted toward finding permanent homes for children through adoption. This mission continues today.

The vision of Walter and Marie could not have lasted 60 years without the support of churches like ours. When you consider the impact that CCS has had over the past 60 years and the number of children that have come to know the Lord, it is easy to see the importance of supporting the mission of CCS.

Through a special donation, your gift will help Colorado Christian Services serve more women in unplanned pregnancies. Caring caseworkers come alongside and help them understand what's involved in infant adoption and assist them as they choose life for their babies. They help provide them with free parenting education and support, adoption planning, financial support, access to medical care, transportation, and housing.

With the support of the church, Colorado Christian Services has had the privilege of placing nearly 1,200 children into loving, Christian adoptive families where they can be loved and nurtured and learn about Jesus.

You can provide Colorado Christian Services with a financial gift today. There are three ways to give to CCS:

1. Donate by check made payable to "Colorado Christian Services"
2. Donate on the CCS website: www.ChristianServices.org/donate
3. Donate via PayPal or Venmo, @ColoradoChristianServices (When prompted to enter the last four digits of the phone number, please enter 4389)

Let's help Colorado Christian Services continue to serve others by joining fellow Christians who believe in the sanctity of life and the strengthening of families through this year's Annual Church Fundraising Campaign.

Thank You.
