

60th ANNIVERSARY Colorado Christian Services

Colorado Christian Services Annual Church Fundraising Campaign

This year marks our 60th anniversary and it is an occasion to be celebrated! In Colorado Christian Services' 60 years of service we have placed nearly 1,200 children into loving, Christian adoptive families where they can learn about Jesus.

For women in unplanned pregnancies, we come alongside and help them understand what's involved in infant adoption and assist them as they choose life for their babies with free parenting education and support, adoption planning, financial support, access to medical care, transportation, and housing.

When you consider the impact that CCS has had over the past 60 years and the number of children that have come to know the Lord, it is easy to see the importance of supporting our mission.

We are so thankful for the generosity of friends and families who have come alongside our ministry – generations of the faithful who believe in the Lord's enduring love for children placed in Christian homes for the past 60 years through CCS.
