

## Colorado Christian Services Annual Church Fundraising Campaign

This year marks our **30th Annual Church Fundraising Campaign!** Our **life-affirming ministry** depends on the funds raised through this campaign, making it possible for us to continue to provide free counseling and support services to women in crisis pregnancies.

Our unwavering belief that every child deserves to grow up in a loving, caring, stable home has remained central to our work. To date, nearly **1,200 children have been placed into loving, Christian adoptive families and over 6,500 women in crisis pregnancies have been counseled** through our ministry.

The sanctity of life remains a cornerstone of our Christian faith and fundamental belief that **all human life is sacred and has intrinsic value**. We believe that no woman facing an unplanned pregnancy should ever find herself in a position in which she feels that she has to contemplate abortion as her only option.

Therefore, **it is more important than ever to stand behind ministries like Colorado Christian Services** through your financial support.

We are so thankful for the generosity of friends and families who have come alongside our ministry — generations of the faithful who believe in the Lord's enduring love for children and families served by CCS.

*Thank you for your support!*
