

Colorado Christian Services

Since 1963, nearly 1,200 children have been placed into loving, Christian adoptive families and over 6,500 women have received crisis pregnancy support and counseling services.

Mission

Colorado Christian Services comes alongside women in unplanned pregnancies and Christian adoptive couples in building families through caring, experienced and professional adoption planning services.

In addition, we support expectant mothers, new parents and caregivers by providing them with essential mother and baby supplies at no cost to them.

We believe every child deserves to grow up in a loving, caring and stable home.

Thank you for your support!
